

# WOODVIEW PARK NEWSLETTER

## JANUARY 2008

### President's Message:

I hope that everyone had a wonderful Christmas and a fantastic start to 2008.

There are always matters to deal with at Woodview, not the least of which is the possibility of user fees. The City of Oshawa is contemplating the implementation of user fees for our soccer fields and ball diamonds. Contact your local councillor to voice your opinion. Their user fees mean you will have to pay more for your child to play these sports.

Soccer and softball registration is coming up. Please register early to ensure a spot for your child(ren) on a Woodview team.

Our 60th Anniversary weekend celebration will be taking place in 2008. Please plan to come out and express your ideas on how we can make it a bang up celebration.

Regards,

Kevin Knapp  
President  
Woodview Park

### Sports Chair's Message:

Woodview Park is in desperate need of a Softball Chair. A couple of coaches expressed some interest in helping but not in taking over the position. The Softball Chair attends our monthly Sport's meeting and is our voice at the monthly NASC Softball committee meetings. An inventory of all equipment is conducted and any replacement required is ordered. There are many of us who are willing to help out. The danger of not having a Softball Chair is we do not have a consistent voice at the NASC Softball committee and we may have to pool out are children.

Hockey season is progressing very well. Our midget team was involved in an unfortunate incident with Lake Vista and many suspensions resulted. The team pulled together and played very well through this adversity. All suspensions are now served and the team is stronger than ever. Congratulations to all the players and coaches for taking a bad situation and bringing the team through it.

We are reviving Park Opening for our 60th anniversary. Many volunteers are needed to help plan and run this day. Please contact me at [mashcroft@rogers.com](mailto:mashcroft@rogers.com) or 905-723-9028.
