WOODVIEW HOCKEY TEAMS 2008 – 2009 SEASON

We are just past the midway point of our current season for our four Woodview teams this year. Our teams range from the very young to the older boys, as we have a 4/5 team, a Super Six team and then we jump up to a Bantam (13/14 year old) and a Midget (15 to 17 year old) team. All of the Woodview teams have just completed playing in the Swiss Chalet Oshawa tournament over the Christmas holidays. I invite you to check out the N.A.S.C. hockey website for more information and schedules, www.naschockeyoshawa.org

WOODVIEW PARK ATHLETE PROFILE

In this profile we are pleased to present Matthew Moyer who is playing his very first hockey season with Woodview Super Sixes. Matthew has been taking skating lessons since he was two and he has a solid foundation to build upon his hockey skills with the Woodview hockey program over the next two years. During the first two games of the season, Matthew has shown a natural tendency to play defence and can usually be found policing the ice from behind the play, no matter what position he plays. When not playing hockey, Matthew attends Coronation PS where many of his classmates are also his teammates in the Super Six program. In the classroom, Matthew's work ethic is just as strong as it is on the ice, which shows on his report card. In the summer, Matthew enjoys relaxing times at his family cottage where he can sometime spend all day enjoying his other passion, which is swimming. Matthew would like to wish his favourite team, The Oshawa Generals, good luck in the upcoming season. Matthew plans to see many games with his Dad.
